MINISTRY OF TRADE AND INDUSTRY

DAFTARI LA WAFANYABIASHARA
BUSINESS DIRECTORY (2019)

Imetolewa na
Wizara ya Biashara na Viwanda
Zanzibar.

April, 2019

Preamble

The 2019 Business Directory is an official publication that had been prepared by the Ministry of Trade and Industry which aims to provide the information on the various business entities that operates to the Zanzibar territory. This publication covers the various economic sectors which provide different services. Now days, the technology is growing very first and therefore, high percent of consumers use the Internet to look for local products and services which signify the importance of business directories to be published and up dated accordingly. Moreover, this publication will be up-to-date on website to assist a number of potential clients to find out the potential services.

The information available on this Business Directory is arranged into collective categories in order to make it user friendly. Business companies are placed in designated groups based on the type of business they are engaged with. The Ministry of Trade and Industry ensured that all selected business companies that appears in this directory are legally registered and functioning. In total there are fifteen (15) categories namely; Farming, Livestock, Consultant Agencies, Banking and Bureau Exchange Office, Education Center and Books Store, Medical Clinic and Hospital, Real Estate & Construction Companies, Security, Petroleum Oil and Extraction Companies, Communication, Electricity, Hotels and Tour Agencies, General Traders, Clearing and Forwarding, Food and Drinks. Information available are Name of Company, Type of Business, Location, Postal Address, email, and phone number.

The Ministry of Trade and Industry is moving in a direction that connects business entities and customers by providing important details regarding commodities and their availability. This business directory 2019 will simplify the search for a business company that a person desires.
